

SHOP CORDOVA FIRST

Sponsorship Options

The *Shop Cordova First* campaign has a popular, positive message and is a great way to show your business supports the community and sustainable economic development!

As the face of the campaign, these beautiful waterproof bags have been an excellent medium to spread this message and discourage the use of disposable plastic bags that become litter and clog up our waterways. The attractive and functional design makes this a popular and well-used item by recipients; and distribution has been very successful.

Sponsoring *Shop Cordova First* is the perfect way for your business to reach both local and out of town markets. It's specially designed to serve that dual purpose and is handed out both locally at Cordova festivals, merchants, and *Cordova Center* conferences; and statewide to meeting planners and at trade shows like the Great Alaska Sportsman Show. Please contact the Cordova Chamber of Commerce at **(907)424-7260** or **office@cordovachamber.com** if you are interested in any of the following sponsorship options.

- A. **\$150** - Business name on the side panel
- B. **\$500** - Business logo on side panel
- C. **\$650** - Business logo + one line of text on side panel
- D. **\$1,000** - Business logo + one line of text on front side of bag
