CORDOVA AK, February 14th, 2023 - Cordova Chamber of Commerce is excited to announce its first social event of the year, Business Beers! Join the Chamber in enjoying appetizers, beverages, and good conversations as we kick off the year. This event's goal is to build community among Cordova's business professionals and facilitate a group of Cordovan voices that can share the triumphs, struggles, and beauty of doing business. This is a free event that will include appetizers, an optional icebreaker game, and business conversations. Stop by Copper River Brewing on Wednesday, February 22nd from five to seven PM, grab a beer or non-alcoholic beverage, and enjoy the comradery of Cordova's business professionals.

"I'm excited about this event as a tool to help our members find value and learn about what we are working on. I also hope it can make the Chamber more approachable to businesses and give us an opportunity to answer questions and get our members and non-members more involved in Cordova's business community", said Cathy Rendfeldt, the Executive Director of the Chamber.

Doing business can sometimes feel like a lonely road, so don't miss this opportunity to connect. Come build relationships with other business professionals, and let's walk this path together. The Chamber wants to help you form relationships, forge collaborations, and open the floor for questions you always wished you could ask other business professionals. Cordova is stronger when we work together, so come enjoy Business Beers with us at Copper River Brewing on Wednesday, February 22nd from five to seven PM.

The Cordova Chamber of Commerce is governed by a 16-member board of directors and is comprised of approximately 150 members. In addition to operating the Cordova Visitor Center, the Chamber's work is divided into four primary program areas: economic development, quality of life, destination marketing, and business support.
